

FINALE

PART I

Join hands brothers and bear the load
Come down off of the shelf
Living lonely's a bumpy road
You can't make it yourself

We can't understand why some out and out people
Would try to hold the world on a string
We do take a stand that by living with people
You can do great things

PART II

When your heart is down on the ground
And you feel like hell
Friend you've got some brothers around
We can make you swell
 We can do great things
 We can do great things

PART III

(kazoos)

CONCLUSION

We can do it
We can do it
We...can...do...great...things

PART IV

come bear the load
get your feet up
a bumpy road
you can't make it,
no...
