

YELLOW BALLOON

LIFE'S A YELLOW BALLOON
SAILING UP TO THE MOON
RAINBOWS PAINTING THE SKY
LOTS OF SUGAR TOPPING
FIRECRACKERS POPPING
LIFES THE FOURTH OF JULY
EVERYDAY'S A HOLIDAY
LIFE'S A MYSTERY,BUT A MYSTERY
OF HIDDEN CAVES,SPRINGS OF FIRE
MAKING EVERYONE DESIRE TO BE
AN IDEALIST! IDEALIST!
LIFE'S A YELLOW BALLOON
SAILING UP TO THE MOON
RAINBOWS PAINTING THE SKY
LA-LOTS OF SUGAR TOPPING
FI-FIRECRACKERS POPPING
LI-LIFES THE FOURTH OF JULY
EVERYDAY'S A HOLIDAY
LIFE'S A MYSTERY
BUT A MYSTERY
OF SILVER SNOW,PURPLE RAIN
BUBBLES RISING IN CHAMPAGNE
SALTY AIR,GRAINS OF SAND
HOLDING FUTURES IN MY HAND
IDEALIST!IDEAL!(CLAP)
STRETCH YOUR HANDS TO GRASP THE AIR
MANY DREAMS ARE WAITING THERE
YOU CAN'T STOP US WITH YOUR FACTS
WITH YOUR TRUTH,WITH YOUR SCHEMES
CAUSE WE ALWAYS HAVE OUR IDEAL DREAMS

REALIST SONG

Cold cold world
I have known
I have seen the world, lonely world
I've heard it moan

Remember the tenement where nothing grows
Waiting on breadlines in rows and rows
Hopelessly waiting for rainbows
Cold cold world
Cold cold world

Cold cold world
Can't you see
Happiness was meant for the gods
Not you and me

Remember the hungry child, the empty dish
Hoping to satisfy an empty wish
Tiny life crushed beneath the winter snows
Flowers in cemeteries, rows and rows

Cold cold world
Strange cold world
It's much too real for me

IDEALIST SONG - FINALE

Every conflict is part of the game
Everyone stays the same. (Repeat 4x)

Moving, Idealists are always grooving
On good things they want to be
Making and shaping an undertaking
The dreams started out from scratch
World you are not match for me
Everyone stays the same (Repeat)

Chorus

Life is a highway
Shooting fast, school is out, it's a Friday
World see it my way
World you've got to see, world you've got to see
World just look at me - I love
Everyone stays the same (Repeat)

Hoping and praying on stars and rainbows
Believing that life is great
Running and dancing in all directions
I fly on the sunny beams
In the dreams I create
Everyone stays the same (Repeat)
